This license is issued with the following provisions:

-There will be a \$25 fee for this license

-Rules and regulations have been promulgated to address what "adequate" shelter is for chickens, ducks and pygmy goats. By accepting this license the licensee agrees to comply with the adopted rules.

-Depending on the specifics of the structure built to house chickens/ducks/pygmy goats, zoning and/or building permits may be required for those structures. Upon finalizing their plans for the shelters for their animals, licensees should check with zoning to determine whether a permit is required for their proposed shelters.

I agree to the requirements of this Food Producing Animal license, and I agree to meet the requirements set forth in this document.
